

Genius Roof Solutions™

revolutionising roofs™

Save time installing flashings with the **Hallclip+™**

*(Joints in image
approx 20mm)*

HELPFUL POINTERS WHEN USING THE Hallclip+™

When you use Hallclip+ to fix flashings you can dress them before pointing them in

Insert Hallclips with 'H+' uppermost

One pack fixes up to 10 linear metres of flashing

When fixing step flashings ensure that at least one clip is fitted per step

When working in narrow joints use the original standard **HALLCLIP™**

Invented by a
working roofer
to save him time
and money

**HALL
CLIP**
